Tyler Young

I am a driven individual who is enthusiastic about making a difference with everything I do. I am excited for an opportunity to apply my programming knowledge and creative approach in a position offering challenge and growth.

WORK EXPERIENCE

VP OF OPERATIONS REACH

Oct 2014 - present

I supervise both teaching and marketing events of this local non-profit. I manage volunteers to ensure that they complete their tasks, and all need assignments are fulfilled. I recruit and train new volunteers. I am one of the main presenters of a variety of lessons geared towards the betterment of youth.

COURIER FEDEX

Dec 2019 - present

I delivered packages to customers, both at businesses and to private homes. I Prioritized efficiency and safety while driving and delivering packages. With no set route, I also was able to demonstrate flexibility and the implementation of various navigational tools to find new locations each day.

REALTOR

Oct 2018 - Feb 2021

I sold property and marketed my services, as well as client real estate. I also organized and ran several local events focused on inclusion and community.
